DETAILED ACTION

Information Disclosure Statement

The information disclosure statement filed May 17, 2006 fails to comply with the provisions of 37 CFR 1.97, 1.98 and MPEP § 609 because the date is not listed for the foreign patent documents. It has been placed in the application file, but the information referred to therein has not been considered as to the merits. Applicant is advised that the date of any re-submission of any item of information contained in this information disclosure statement or the submission of any missing element(s) will be the date of submission for purposes of determining compliance with the requirements based on the time of filing the statement, including all certification requirements for statements under 37 CFR 1.97(e). See MPEP § 609.05(a).

Applicants response of May 10, 2009 has indicated a revised PTO/SB/08 has been submitted however no copy has appears in the file thus the references previously crossed out by the Examiner have not been considered as to the merits.

Priority

Acknowledgment is made of applicant's claim for foreign priority based on an application filed in Japan on May 17, 2005. It is noted, however, that applicant has not filed a certified copy of the PCT/JP05/08927 application as required by 35 U.S.C. 119(b).

The Examiner notes only WO 2005/114777 / PCT/JP2005/008927 appears in the file which does not appear to have the certified ribbon cover page.

Allowable Subject Matter

Claims 1 – 10 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: The Examiner agrees with Applicant's arguments (page 7) where the ground electrode (7) covers the entire surface thus not comprising a notch opposite the coupling line nor would it have been obvious to combine the prior art of record thus the claims are allowable.

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to DEAN O. TAKAOKA whose telephone number is (571)272-1772. The examiner can normally be reached on 9:00a - 5:30p Mon - Fri.
